Work Experience

Fractional CMO — Jan 2019 – Present

Various

Helping startups and agencies redefine strategies and branding, develop long-term marketing plans, refine sales processes, in order to drive long-term revenue growth.

- Worked with a B2B SaaS company that hadn't had a sale in 2 years. By the end of the engagement, they were closing a new client every 2 weeks.
- Brought in to build a new marketing department. Built strategy, structure, operational processes, and relaunched the brand including a new website, content marketing, and marketing automation.
- Built marketing department from scratch in the B2B SaaS space, resulting in 30% revenue growth within 6 months.
- Rebuilt website and content marketing for a major foreign university.
- Worked across 3 continents, understanding local cultures, and building strategies and execution to fit those cultures.

Managing Director — Jan 2015 – Jan 2019

Parkour Marketing

Parkour is a problem-solving team that tackles "big challenges", develops plans and strategies to fix them, and then helps fix them via new processes, hiring, technology, and ongoing business optimization.

- Monitored and coordinated workflows to optimize resources.
- Introduced new methods, practices, and systems, to reduce turnaround time by 30%.
- Evaluated suppliers to reduce costs by 22%.
- Performed statistical analyses to gather data for operational and forecast team needs.
- Creating marketing and strategy plans for projects, 90 day windows and annual marketing plans

- Boosted team member productivity by 18% through enhanced mentoring and improving morale

Senior Vice President, Digital & Strategy — Jan 2010 – Jan 2015
Match Marketing Group
Joined North America's largest shopper marketing agency to lead the digital division, including sales, marketing, account management, PMO, strategy, finance, creative, development, and admin.

- Managed acquisition and integration of 5 agencies and 7 departments into one cohesive team.
- Developed all short and long-term strategic and operational plans for dozens of leading brands including LG, Microsoft, IBM, Pepsi, Ford, Samsung, Scotiabank, and more across a wide range of categories and verticals.
- Executed hundreds of digital and integrated marketing, social media, and experiential campaigns.
- Restructured Project Management and Studio departments to reduce overhead by 19%, and improve quality and overall efficiency.
- Managed team of nearly 50 in a matrix environment.
- Generated more than $50MM in new business revenue.
